Manuel M. Quiñones, Jr., M.D.

Board Certified Family Medicine

DEC # 020201-0012

Dr. Manuel M. Quiñones is a native San Antonian. He is Board Certified in Family Medicine and is fluent in both English and Spanish. Dr. Quiñones has a special interest in treating adult patients with hypertension, diabetes and high cholesterol – so common to so many in San Antonio and South Texas. He makes it a point to spend more time with his geriatric patients during their office visits, and treats them like he would his own family.

Dr. Quiñones enjoys hunting and ranching. He especially enjoys spending time with his wife and their two Jack Russells at their ranch in Medina County.
