

Mae Sepulveda, M.D.

Board Certified Family Medicine

DEC # 020201-0152

Dr. Mae Anne Sepulveda is from the Philippines where she attended medical school at the Cebu Institute of Medicine. She came to the United States and completed her residency in Family Medicine at the University of Pittsburgh Medical Center. After completing her residency training, she practiced at the New Bedford Community Health Center in New Bedford, Massachusetts, before she moved to San Antonio.

Dr. Sepulveda always wanted to be a physician ever since she was a young child. Most of her career has been focused on underserved areas. She practiced in the rural areas while in the Philippines. During her residency, she was also part of the Global Health Track and was privileged to travel to other third world countries including Haiti and Honduras. She also enjoys Women's Health and empowering women to take care of their health and wellbeing.

When not treating patients, Dr. Sepulveda enjoys spending time with her family and traveling especially to beach destinations. She also likes listening to music and dancing.
